This writ petition is filed, seeking direction to the respondents to enroll the petitioner as member of the 1st respondent – Society.

The grievance of the petitioner is that in spite of recommendation from the 2nd respondent that the petitioner is eligible to be considered as member of the 1st respondent – society, the 1st respondent has not considered the application of the petitioner.

Today, when the matter is called, there is no representation on either side.

By lapse of time, the cause in this writ petition has become infructuous, inasmuch as the petitioner was claiming to be considered as member of the 1st respondent – society on the basis of a proceedings issued by the 2nd respondent as long back as in the year 1995.

Therefore, the writ petition is dismissed as having become infructuous. No costs.
